

PRACTICE FOCUS

William E. Erskine is both a business attorney and real estate attorney, whose practice is focused primarily on commercial litigation, construction litigation, real estate, zoning, and land use matters.

Mr Erskine has extensive experience representing clients in land use and zoning matters across Maryland, including subdivision and land development, re-zonings and legislative appeals. He also spent 12 years as a solo practitioner, handling commercial litigation work for businesses and individuals, as well as bankruptcy, criminal defense and domestic cases.
