

## PRACTICE FOCUS

Eric Lanter is a commercial litigator who has focused his practice on resolving commercial disputes for his clients with an emphasis on achieving efficient results. He has appeared in federal and state courts as well as before arbitration panels in a wide variety of cases, and he has advised his clients on issues as varied as dealing with contract disputes, navigating regulatory compliance, and overseeing investigations. Prior to joining Offit Kurman, Mr. Lanter obtained extensive trial experience representing insurance companies in litigation throughout New York State.
