

PRACTICE FOCUS

Manraj S. Sekhon is a Counsel in Offit Kurman's Business & Law Transactions practice group. He represents businesses ranging from start-ups to Fortune 50 corporations in corporate and commercial transactions, litigation and dispute resolution matters.

In his practice, Mr. Sekhon drafts and reviews transactional documents for mergers and acquisitions, capital markets and finance matters, including stock, asset, distribution, and note purchase agreements. He composes corporate formation documents, including organization charts, operating agreements, by-laws and resolutions for various entities, which include holding companies, spinoff companies and special purpose acquisition companies.

Before beginning his career as an attorney, Mr. Sekhon was co-owner and operator of a national franchise business in Canada.
