

### PRACTICE FOCUS

Jung Kim is an attorney in the Real Estate Law and Transactions group focusing on complex real estate transactions and financing, development, workouts and foreclosure, commercial leasing, real estate litigation, and government compliance and licensing issues.

Jung has a passion for real estate coupled with a unique background as an entrepreneur, business owner, property manager, landlord, and developer. He helps clients make intelligent business decisions, assess and minimize risk, and apply creative solutions to complicated issues.

Jung is a native Washingtonian and attended school at the University of Virginia, receiving a Bachelor of Arts in Philosophy. Later, he went on to American University Washington College of Law to pursue his career in law and justice. In law school, Jung was a member of Transactional Law Society where he honed his negotiation skills.
