WHAT WE DO

With over 170 attorneys across the mid-Atlantic region, Offit Kurman has a well-established record of successfully representing businesses and entrepreneurs in regulatory compliance, health care, tax, intellectual property, litigation, employment, real estate/zoning, and many other areas of law. Our attorneys bring their decades of experience and business acumen to the highly-regulated cannabis industry to provide world-class advice, counsel, and legal services on the many legal and other obstacles facing cannabis businesses. Whether you or your business require an expert on cannabis law or a seasoned practitioner of one of the many other practice areas our firm regularly serves, Offit Kurman offers a full-service suite of legal services to ensure success in the cannabis industry.

Whether you are merely contemplating joining one of the nation's fastest-growing industries or have been operating a cannabis business for some time, Offit Kurman's cannabis attorneys can add value to your business. Our unique, full-service approach to the industry and to cannabis businesses provides entrepreneurs and operators world-class legal, compliance, and business services while allowing for collaboration and cooperation in a number of different industry verticals and market segments. From helping you translate your idea into reality, to team-building, application writing, and regulatory compliance, our cannabis attorneys will provide guidance and counsel to you and your business every step of the way.

Formation

Establishing and operating a cannabis business, whether plant-touching or ancillary, necessitates strategic planning and design.

Transactions

Navigating the cannabis industry requires not only a finely-tuned understanding of the law, but competent counsel on a wide variety of legal and business issues.

Compliance

As with any highly-regulated business, success in the cannabis industry depends on business owners' ability to stay in compliance with local, State, and federal laws.

Networking

Offit Kurman's cannabis practice provides cannabis business owners and entrepreneurs unique networking opportunities unmatched in the industry.

Education

Offit Kurman's cannabis attorneys strive to provide high quality educational materials and resources to clients and the cannabis industry in general.

CANNABIS IS A CONTROLLED SUBSTANCE UNDER FEDERAL LAW AND A CONFLICT NOW EXISTS BETWEEN STATE LAWS AND FEDERAL LAW ON THE LEGALITY OF CANNABIS. OUR PRACTICE GROUP IS AVAILABLE ONLY TO ADVISE CLIENTS ON ISSUES IN RELATION TO APPLICABLE STATE LAW AND COMPLIANCE ISSUES RELATED THERETO. ANY ADVICE PROVIDED ON SUCH MATTERS IS VALID ONLY AS OF THE TIME IT IS PROVIDED. IF ANY SUCH LEGAL SERVICES AS PROPOSED BECOME UNLAWFUL AT ANY TIME DUE A CHANGE IN STATE LAWS OR A MATERIAL CHANGE IN THE FEDERAL ENFORCEMENT OF LAWS RELATING TO CANNABIS, WE MAY TERMINATE SUCH SERVICES UPON NOTICE TO AFFECTED CLIENTS. GIVEN THE IMPLICATIONS OF U.S. FEDERAL LAW REGARDING CANNABIS, IT MAY BE THE POSITION OF FEDERAL OR STATE GOVERNMENTS OR EVEN THIRD PARTIES THAT OUR ADVICE MAY NOT BE PROTECTED BY THE ATTORNEY-CLIENT PRIVILEGE.
