BUSINESS LEGAL SERVICES

Every business needs a reliable legal partner. We work one-on-one with clients through every step of forming, acquiring, operating, protecting, and growing innovative businesses. With specialized expertise in corporate litigation, Offit Kurman will empower you with the knowledge to defend the business to which you have dedicated your life. For those leaving or selling their businesses, we also offer assistance with succession planning and ownership transition efforts.

PERSONAL LEGAL SERVICES

Your family deserves prosperity and protection. We offer personalized legal solutions to our clients, with asset safeguarding tools and legal assistance to help you build and preserve wealth at every stage in life. When it comes to ensuring your legacy, you can trust our team to provide attentive and straightforward transferral of assets, and to treat family members and other intended beneficiaries with discretion and care.

Other legal services include real estate, estate planning, health care, labor and employment, estate and trust administration, construction law, business litigation, asset protection, intellectual property protection, government contracts, financial institutions compliance, family law, banking and finance and more.
