## *Legal Counsel For Franchisors And Franchisees*

Whether you are buying a franchise, selling a franchise, or franchising your own concept, understanding franchise law can be a complicated and daunting task. Offit Kurman's franchise lawyers are here guide you in the right direction with the legal counsel you need, as well as provide you with the tools required to understand, grow, and protect your business.

### FOR FRANCHISEES

The franchise lawyers at Offit Kurman Attorneys At Law understand the complexity of franchising and are fully equipped to provide you with a variety of franchise law assistance and services, such as:

- Reviewing Uniform Franchise Offering Circulars (UFOCs) and other disclosure documents
- Negotiating franchise agreements and related documents
- Analyzing leases for compliance and compatibility with particular franchises
- Evaluating franchise systems
- Assisting with default or termination issues
- Safeguarding protected territories and preventing encroachment
- Arranging for the proper transfer or sale of a franchise

### FOR FRANCHISORS

The decision to create a new franchised business organization should never be taken lightly. The same goes for the selection of a law firm to make it happen. Offit Kurman Attorneys At Law experienced franchise lawyers provide the guidance and services you need, such as: drafting disclosure documents, franchise agreements and other related documents, developing, registering and protecting trademarks, and registering franchises throughout the country.

### LITIGATION SUPPORT

If the franchise relationship breaks down, our Offit Kurman Attorneys At Law is ready to provide aggressive and efficient counsel to protect your franchise and guide you through the dispute resolution process, whether it involves litigation, arbitration or mediation. Our skilled and knowledgeable franchise lawyers have experience resolving all sorts of franchise-related disputes, including those involving encroachment and impact studies, breach of contract and unfair termination claims and violations of state and federal franchise relationship laws and disclosure laws.
