## Agenda

### Ethical Issues During Contracting Phase of Project

- Entering into the contract
  - Exaggerated experience or achievements
  - False statements in bid documents
  - Bid rigging
  - Inducements, kickbacks, gifts and favors
  - Conflicts of interest

### Administering the contract

- Inaccurate certifications and applications
- Poor workmanship and inadequate labor
- Substituting material and over ordering
- Inadequate safety standards
- Altered documents

### General rules and guidelines

- Statutes and regulations
- Contract terms
- Company policies and training
- Ongoing internal controls

### Ethical Issues During Construction and Post Construction Phase of Project

- Ethical tenets that support sustainable construction goals
- Ethical standards to be employed during each phase of sustainable construction
- Ethical considerations for post-construction maintenance and repair plan

## Presented by

**Sara Alexandre** *Attorney at Swift Currie*

Ms. Alexandre is a civil litigation associate with Swift, Currie, McGhee & Hiers, LLP. Her practice involves defending clients in various areas including construction and environmental law, premises liability, products liability, and catastrophic injury and wrongful death. Recently, Ms. Alexandre was recognized in the 2021 Edition of *Best Lawyers: Ones to Watch – Construction Law* list for her work in the field. Further, for the second year in a row, The National Black Lawyers has selected Ms. Alexandre for inclusion in its list of Top 40 under 40 Lawyers in Georgia for 2020. Ms. Alexandre received her undergraduate degree from Yale University, and her Juris Doctor and Masters of Law degrees in Taxation from New York Law School.

**Bobbie-Ann Henderson** *Attorney at Swift Currie*

Ms. Henderson is an attorney with more than 20 years of experience focusing on commercial and civil disputes, including first- and third-party insurance coverage, surety and construction matters, business transactions and creditor rights. Ms. Henderson represents insurance, surety and construction companies in claims arising out of commercial general liability, personal and commercial auto, property and casualty and homeowners' insurance policies. She also represents clients in claims and disputes arising out of construction, probate and miscellaneous surety bonds. She is involved from the initial stages of a claim through final resolution, helping to examine coverage issues, identifying policy exclusions and sources of loss. Ms. Henderson graduated from the University of Florida College of Law.

# A Roadmap to Ethical Issues in Construction: A Primer for Design Professionals

Wednesday, September 29, 2021 | 11:00 am - 1:00 pm CDT

Tuition: \$100 per registrant

**Credits:** Professional Engineers 2.0 PDHs Architects: 2.0 HSW CE Hours  
AIA: 2.0 LU|HSW International Code Council: .2 CEUs (Administration)

## Agenda

- Overview and introduction to design professional's ethics
- Legal and ethical issues in construction practice and disputes
- Group scenarios with real implications
- Ethical dimension of the design professional's practice—does it matter?
- Adopting practices which minimize ethics issues
- Avoiding ethical issues during the bidding process
- Your duties to your employer, the project owner, and other project participants
- The ethics of safety: fulfilling duties to employees and the public

## Presented by

**Wojciech "Voytek" Jackowski**

*Principal, Commercial Litigation Practice Group Chair, Offit Kurman P.A.*

Mr. Jackowski's practice focuses on commercial and corporate dispute resolution with an emphasis on achieving rational business solutions or cost-effective judicial resolutions of such disputes. In his practice, he often represents clients in transactional matters, and applies his litigation experience in advising clients and provides value-added services in structuring business, financial and legal terms for his construction industry clients. In addition to appearing in federal and state courts and before arbitration panels and administrative panels domestically, Mr. Jackowski has experience in international aspects of litigation. He has represented entities and individuals in cases involving trade and contract disputes, property loss claims, bankruptcy proceedings, construction issues, commodities and derivatives matters, white-collar crime, personal injury, and claims raising questions under federal labor law. Mr. Jackowski has extensive experience with disputes involving real estate, construction contracts, design and construction defects, and the representation of various real estate industry stakeholders in mediations, arbitrations, trials and appeals.
